A stable fiber optic connector manufacturer in Southeast Asia

Overview

At the core of fiber optics are components and systems that allow precise control over light transmission, including couplers, connectors, and optical fibers.

Key Takeaways

Several companies in Southeast Asia manufacture and supply fiber optic connectors, including FiberTek, Actenn, LinkStar Microtronics, and FiberOpto Asia, with operations across Singapore, Malaysia, Indonesia, and other regional markets. Key Companies in SingaporeFiberTek: Established in 1999, FiberTek is a one-stop provider of fiber optic products, including connectors, patch cords, adapters, and cables, serving both local and international markets. Actenn: Specializes in precision-engineered fiber optic solutions for telecommunications, data centers, defense, and industrial applications, including high-quality connectors and assemblies.

Link

Star Microtronics Pte. Ltd: Focuses on passive and active optical components, including connector manufacturing, and provides integrated solutions for optical and wireless communication.

Fiber

Opto Asia Pte Ltd: Offers customized fiber optic products and solutions, including connectors, across multiple Southeast Asian countries such as Malaysia, Indonesia, Brunei, Vietnam, Myanmar, Thailand, and the Philippines.

Other Notable Suppliers in Southeast Asia

Advanced Electronic Products Pte Ltd: Supplies fiber optic connectors, patch panels, and related telecommunication products in Singapore.

Tele

Science Singapore: Provides a broad range of ICT and fiber optic products, including connectors, for enterprise and industrial applications. FiberOpticToolsCenter (PT. PAWAMA): Based in Indonesia, this supplier offers fiber optic connectors and tools for network installations.

Regional Presence

Many of these companies not only manufacture connectors but also provide fiber optic cables, patch cords, adapters, and network integration services. Companies like FiberOpto Asia and FiberTek have a regional footprint, serving multiple Southeast Asian countries, which is advantageous for large-scale deployments or multi-country projects.

Summary

For businesses seeking fiber optic connectors in Southeast Asia, Singapore-based manufacturers like FiberTek, Actenn, and LinkStar Microtronics are prominent options, while regional suppliers such as FiberOpto Asia and PT.

PAWAM

A provide broader coverage across the region. These companies offer both standard and customized connectors, along with complementary fiber optic products and services, making them suitable for telecom, data center, and industrial applications.

Fiber Optics

At the core of fiber optics are components and systems that allow precise control over light transmission, including couplers, connectors, and optical fibers.

Professional Fiber Optic Communication Products Manufacturer

Malaysia hosts Southeast Asia''s most established fiber optic manufacturing ecosystem. These companies supply the cables connecting everything from Kuala Lumpur''s data centers to rural

FiberOpto Asia I FiberOptics Products & Solutions

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

We aim to be the leading one-stop shop for all fiber optics requirements and aspire to play an important role to propel fiber optics communications to the new era of advanced broadband connectivity.

Masstron

Leader in the Supply of Fiber Optics Products in Singapore We offer Total Communication Solutions to a wide range of industries such as to Data Communication, Computer Networking, Industrial

Fiber Optic Manufacturers in Singapore: Reliable Solutions by Actenn

As one of the trusted fiber optic manufacturers in Singapore, Actenn specializes in designing and producing high-quality fiber optic cables, assemblies, and systems that meet global standards for

Southeast Asia

Yuyao Jera Line, a leading global manufacturer of cable infrastructure solutions, has earned a strong reputation for delivering reliable fiber optic cable products and comprehensive solutions to meet

FiberTek | A top supplier in fiber optic panels & cables

FiberTek provides fiber optic cables, fiber patch panel, fiber optic test equipment, fiber media converters and other fiber optic products since 1999.

Fiber Optical Cable Corporation & Manufacturer

All our fiber optic cables are manufactured in compliance with ISO9001:2015 international standards, ensuring exceptional durability, stability, and reliable data transmission for a wide range of

List of Fiber Optic Products Suppliers in South Eastern Asia

Download the list of Fiber Optic Products Suppliers in South Eastern Asia. Smartscrapers provides an accurate directory and the latest data on the number of Fiber Optic Products Suppliers in

A leading supplier of fiber optic products in Singapore

Established in 1999 and based in Singapore, FiberTek started off with supplying fiber optic passive components and later on expanded its product range to

Top 7 Fiber Optic Companies: Market Share & Analyst

VMR Industry Intelligence: A evaluation of the top 7 fiber optic vendors. Featuring market share data, Proprietary Intelligence Scores (PIS), and

How Much Do Fiber Optic Temperature Sensors Cost? Complete

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

For decision-makers evaluating these advanced monitoring solutions, understanding the pricing factors is essential for making cost-effective investments. This comprehensive guide analyzes

Fiber Optic Cable For Cambodia Market Suppliers, Manufacturer ...

Alibaba offers 685 Fiber Optic Cable For Cambodia Market Suppliers, and Fiber Optic Cable For Cambodia Market Manufacturers, Distributors, Factories, Companies. There are 143 OEM,

Online Bulk Cable Company | CableWholesale

As a premier online bulk cable company, CableWholesale carries a large inventory of computer cables, USB, HDMI, fiber optic, VGA cables, and more. Shop now!

KEYENCE FU-97P Fiber Optic Component Type FU Series Fiber Optic

Key attributes Type FIBER OPTIC SENSOR Manufacturer Part Number FU-97P Description Fiber amplifier M8 connector type host Mounting Type Standard installation Brand Name Original Place of

Connectors, Cables, Optics, RF, Silicon to Silicon

Samtec is the service leader in the electronic interconnect industry and a global manufacturer of Connectors, Cables, Optics and RF Systems, with full channel

Fiber optic temperature sensor-temperature monitoring

Fiber Optic Temperature Monitoring System Manufacturer From product customisation to mass production manufacturing, we are ready to turn your

Southeast Asia

Southeast Asia, known as a crucial electronic product manufacturing hub, has recently attracted significant attention from high-tech companies and advanced manufacturing industries,
