African Outdoor Power Distribution Box Size and Price

Overview

Weatherproof distribution boxes with hinged lids, made from Glass Reinforced Polyester. No downloads available for this product.

Key Takeaways

Outdoor power distribution boxes in Africa typically range from 6-way to 24-way configurations, with prices starting around ZAR 1,200 and varying based on size, material, and IP rating.Sizes and Configurations

Outdoor distribution boxes are available in multiple sizes to accommodate different electrical needs. Common configurations include:

• 6-way to 12-way boxes: Suitable for small residential or commercial installations, often made from ABS, HIPS, or fiberglass for durability and weather resistance .

• 12-way to 24-way boxes: Designed for larger commercial or industrial applications, typically weatherproof with IP66 rating, protecting against rain, dust, and harsh outdoor conditions .

• Custom sizes: Some suppliers offer bespoke enclosures to fit specific project requirements, including larger panels for multiple circuits or specialized equipment .
Materials and Features
• Fiberglass reinforced polyester (FRP): Common for outdoor use due to high impact resistance and UV stability .

• ABS and HIPS plastics: Lightweight, durable, and fire-resistant, often used in modular distribution panels .

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

• Weatherproofing: Hinged lids, gasket seals, and IP66 ratings ensure protection against water ingress and dust .

• Color and finish: Outdoor boxes are usually brown or sandy to blend with the environment, but can be painted or customized .

Price Range

• Small residential boxes (6–12 ways): Approximately ZAR 1,200 to ZAR 2,500, depending on material and brand .

• Larger commercial boxes (12–24 ways): Prices can range from ZAR 2,500 to ZAR 5,000 or more, especially for high-quality IP66-rated enclosures .

• Premium or custom enclosures: Costs vary significantly based on size, material, and additional features like transparent covers or integrated mounting panels .

Applications

Outdoor distribution boxes are widely used in:

• Residential homes and estates

• Commercial buildings and shopping centers

• Industrial facilities and factories

• Solar and renewable energy installations

Where to Buy

• Wynberg Lights: Offers a variety of distribution boxes and enclosures for outdoor and indoor use .

• Eco Solar Warehouse: Specializes in IP66 waterproof outdoor distribution panels .

• ARB Electrical Wholesalers: Provides weatherproof 12-way distribution boxes made from glass-reinforced polyester .

• ATI Systems: Supplies a wide range of outdoor electrical enclosure boxes with durable fiberglass construction .

• Liteglo: Offers competitive pricing and fast delivery for electrical enclosures . These options allow buyers to select boxes based on size, material, and budget, ensuring reliable protection for outdoor electrical installations.
