300180 Cable Tray Price

Overview

Electraline 300180 IP54 Waterproof Weatherproof Empty XL CableFind many great new & used options and get the best deals for Electraline 300180 IP54 Waterpr.

Key Takeaways

The price of a 300180 cable tray typically depends on material, type, and length, with hot-dip galvanized ladder trays around $20–$50 per 2.4-meter section.Price Overview

Cable trays are available in hot-dip galvanized steel, stainless steel, aluminum, and halogen-free plastic, with prices varying by material and load capacity . For standard hot-dip galvanized ladder-type trays, the typical length is 2.4 meters, and prices generally range from $20 to $50 per section depending on thickness and manufacturer . Stainless steel or aluminum trays are usually more expensive due to corrosion resistance and industrial-grade specifications .

Fittings and Accessories

Cable tray systems often require fittings such as elbows, tees, reducers, and covers. These are priced per piece, typically ranging from $5 to $30 depending on size and material . Proper selection ensures compliance with standards like DIN EN 61537 and supports safe, organized cable routing .

Factors Affecting Price

- Material: Stainless steel > Aluminum > Galvanized steel > Plastic
- Tray Type: Ladder, perforated, solid-bottom, or ventilated
- Load Capacity: Heavier-duty trays cost more

• Length and Width: Longer or wider trays increase cost

• Supplier and Certification: CE-certified or industrial-grade trays may carry a premium
Purchasing Tips
• Confirm the exact model number (300180) with the supplier to ensure compatibility.

• Compare prices from multiple vendors, including Alibaba, McMaster-Carr, and local distributors.

• Consider bulk orders for cost savings and check if installation kits are included. By considering these factors, you can estimate the cost of a 300180 cable tray and plan your procurement effectively.
