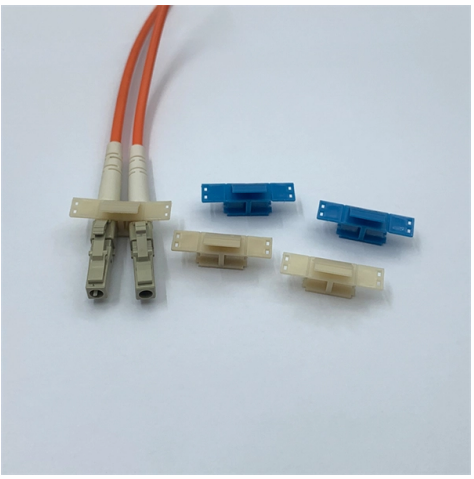
Custom-made low-voltage switchgear equipment for Cambodia



Overview

About Us – KOOBER ENGINEERING Co.,LtdKoober provides complete solution for your primary incoming power supply, connecting your commercial needs to the Elec.

Key Takeaways

Several Cambodian companies provide custom low-voltage switchgear solutions, including design, manufacturing, installation, and maintenance services tailored to industrial and commercial needs.

Leading Providers

Koober Engineering offers complete solutions for primary incoming power supply, including low-voltage switchgear, medium-voltage lines, and transformers. They provide site surveys, installation, and compliance with Electricite du Cambodge (EDC) standards, with experience in large-scale projects like Aeon Mall and Naga World. Dhinimex Co., LTD specializes in custom LV/MV control panels and precision switchgear for substations and industrial plants.

They manufacture equipment to international standards (IEC, ANSI/IEEE, TIS) and provide repair, refurbishment, and preventive maintenance services.

S Cambodia provides support for low and medium voltage switchgear, including panel modifications, busbar design, installation, testing, and on-site troubleshooting. They also offer training and after-sales service to ensure safe and reliable operation. Zoliov delivers professional customized manufacturing for low and medium voltage power distribution equipment.

Their offerings include low-voltage distribution boxes, ring main units (RMU), box-type substations, and power transformers, with full support from design to 24/7 assistance.

Key Considerations

Customization: All these providers can tailor switchgear to specific voltage, capacity, and application requirements. Compliance: Equipment is designed to meet local and international standards, ensuring safety and reliability. Support Services: Installation, testing, maintenance, and training are commonly offered to ensure long-term operational efficiency.

Industrial Applications: Suitable for commercial buildings, industrial plants, substations, and smart grid integration. For businesses in Cambodia seeking custom low-voltage switchgear, contacting these companies directly will allow specification of project requirements, technical consultation, and quotations for tailored solutions.

About Us – KOOBER ENGINEERING Co.,Ltd

Koober provides complete solution for your primary incoming power supply, connecting your commercial needs to the Electricite du Cambodge''s (EDC) network. Our solution covers site survey, supply and

Home | snskcompany

Ritz manufactures medium voltage Votage transformer and Current Transformer. They are Cast resin epoxy block type or Ring type, ranged from 3.3kV upto

Custom Electrical Solutions & Equipment Provider | Zoliov

Zoliov provides efficient, custom industrial electrical solutions, specializing in switchgear, RMU, substations, and transformers for smarter, safer power systems.

Switchgear

EEPS Co., Ltd is a professional MEP company settled in Cambodia. We specialize in Building Automation Systems (BAS) and Medium Voltage Distribution & Grid Automation.We not only provide

Be Safe Electric | Be Safe Electric

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

To be Cambodia''s leading electrical engineering company, recognised for modern solutions, sustainable practices, and trusted partnerships that power a brighter future.

Leading Electrical Solutions Provider in Cambodia

We supply, design and manufacture solutions meeting specific clients and projects thanks to our manufacturing facility and our multi-technologies / multi-brands

Custom MV Switchgear: Global Design Solutions

Discover how Weishoe Electric''s custom medium voltage switchgear designs meet global project needs. Learn about specialized features, high quality, and fast delivery for enhanced success.

low voltage switchgear Companies and Suppliers near Cambodia ...

Founded on September 25, 1968, Allis Electric Co., Ltd. started by producing low-voltage switchgear, motor control centers, high/low-voltage integrated start-up panels, AC/DC industrial control

Cambodia Switchgears Market (2024-2030) | Outlook, Value, Analysis ...

Historical Data and Forecast of Cambodia Switchgears Market Revenues & Volume By Low Voltage Electrical Switchgear for the Period 2020- 2030 Historical Data and Forecast of Cambodia

Leading Electrical Solutions Provider in Cambodia

Automated Industrial Logic Process Solutions As a leading electrical and automation solution supplier in Cambodia, ATS was established in 2007 to provide safe, efficient and innovative energy solutions,

Switchgear Manufacturing | Medium & Low Voltage

RESA Power is a switchgear manufacturer delivering new and re-manufactured, low, medium, and high voltage switchgear and electrical distribution equipment.

Custom Switchgear & Power Distribution Cabinets | Gaobo China

Discover Gaobo''s customized solutions,including PLC control cabinets,high voltage cabinets,low voltage cabinets,and switch electric cabinets.Reliable,quality-assured products trusted worldwide.

Low voltage switchgear | Products | ABB

As the world''s largest low voltage switchgear OEM with domain expertise and local support, ABB electrification solutions is truly your local partner.
