Czech cable tray brands

Overview

Thanks to innovation and improved technology, we have evolved into a one-stop shop for Cable Tray manufacturers.

Key Takeaways

Prominent Czech cable tray brands include ARKYS, FEMI-CZ, and Jeetmull Jaichandlall, offering wire mesh, ladder, and perforated cable trays for industrial and civil applications.Key Czech Cable Tray Manufacturers

ARKYS ARKYS is one of the largest manufacturers and suppliers of wire mesh cable trays in the Czech Republic, with over 25 years of experience in the market. They specialize in high-quality wire mesh solutions suitable for various industrial and commercial installations, emphasizing durability and compliance with local standards . FEMI-CZ FEMI-CZ produces metallic cable tray systems, including solid bottom, perforated, ladder, and mesh trays. They offer both standard products for civil installations and customized solutions for large industrial projects, such as energy, transport, and oil & gas sectors. FEMI-CZ focuses on flexibility, high load capacity, and ease of installation, with options for specialized surface finishes and materials . Jeetmull Jaichandlall Although originally an international supplier, Jeetmull Jaichandlall operates in the Czech Republic and provides wire mesh and netting cable trays. Their products are available in various sizes, shapes, and configurations, suitable for construction, agriculture, mining, automotive, and architectural applications. They emphasize high-quality manufacturing and adherence to industry standards .

Additional Suppliers and Resources
• Brilltech Engineers offers a range of cable trays in galvanized steel, stainless steel, and fiberglass, focusing on durability, airflow, and easy installation .
