Fiji electrical distribution box enclosure manufacturer

Overview

Professional Electrical Box & Distribution Box As a leading electrical box manufacturer with more than 20 years of industry and R&D Fiji-based manufacturer.

Key Takeaways

Key manufacturers of electrical distribution boxes in Fiji include Roofing & Profiles (Fiji) PTE Ltd, Electomech PTE Limited, and Dominion Wire & Cables Ltd.Roofing & Profiles (Fiji) PTE Ltd

Roofing & Profiles manufactures and assembles purpose-built switchboards and meter boxes for both commercial and industrial applications. Their products are designed to meet the needs of electrical contractors, design consultants, and end users, with a focus on durability and adaptability to various roof styles . They provide solutions suitable for both residential and industrial installations.

Electomech PTE Limited

Founded in 2000 in Ba, Fiji, Electomech PTE Limited is a leading privately-owned distribution and manufacturing company. They operate an 8,000-square-meter facility and have divisions in Sheet Metal Works and Injection Moulding, which support the production of electrical components, including distribution boxes. Electomech serves multiple sectors and is recognized for high-quality, durable products compliant with infrastructure standards across Fiji and the Pacific .

Dominion Wire & Cables Ltd

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

Dominion Wire & Cables Ltd is the only manufacturer of power cables in Fiji, operating a 7,000-square-meter plant. While primarily focused on cable solutions, they also supply electrical distribution equipment and components to local and regional markets, including Australia, PNG, and Samoa . Their expertise in electrical infrastructure makes them a reliable source for integrated distribution solutions.

Additional Suppliers

Other companies, such as Bluepeaks PTE Ltd, provide sourcing and supply solutions for electrical components, including switchboards and related equipment, servicing hotels, industrial clients, and residential customers across Fiji and the Outer Islands . They act as distributors and can complement manufacturing sources for specific project needs. These companies collectively offer a range of manufacturing and supply options for electrical distribution boxes, supporting both local and regional projects in Fiji.
