

ASEAN Stainless Steel Molded Cable Tray Manufacturer

Overview

Top Cable Tray Manufacturers in Asia Across Key MarketsDiscover the leading cable tray manufacturers in Asia, including top companies from Indonesia, China.

Key Takeaways

Leading stainless steel cable tray manufacturers in ASEAN include Baruna Tray Indo Jaya (Indonesia), PT Sumber Surya Mandiri (Indonesia), Foresight Metal Engineering (Singapore), and Brilltech Engineers (Asia-wide), offering high-quality, durable, and customizable solutions. Key Manufacturers in ASEAN1. Baruna Tray Indo Jaya (Indonesia) Baruna manufactures stainless steel cable trays and ladders in 304 and 316 series, suitable for heavy-duty and industrial applications.

Their products are designed for corrosion resistance, with careful control of chromium and nickel content to maintain austenitic structure and durability. They comply with NEMA International Standards and offer customization for commercial, industrial, and water treatment projects. 2.

P

T Sumber Surya Mandiri (Indonesia) Specializing in cable trays, ladders, and other steel products, PT Sumber Surya Mandiri provides rigid, open, and enclosed cable management systems for industrial and commercial applications. Their products are ISO and SNI certified, ensuring quality and compliance for both local and international projects. 3.

Foresight Metal Engineering Pte Ltd (Singapore) Foresight Metal Engineering is a leading Singapore-based manufacturer of metal cable trays, trunkings, and ladders, including stainless steel options. They focus on high-quality, customizable solutions for commercial, industrial, pharmaceutical, and marine projects, with products meeting or exceeding industry standards. 4.

Brilltech Engineers Pvt. Ltd (Asia-wide) Brilltech offers a wide range of cable trays, including stainless steel, perforated, ladder, and PVC trays, with a focus on customization and quality control. Their manufacturing facilities are equipped with advanced tools to ensure precision, durability, and timely delivery across Asia.

Considerations for Choosing a ManufacturerMaterial Quality: Stainless steel grades 304 and 316 are preferred for corrosion resistance and durability in tropical and industrial environments. Certifications: Look for ISO, SNI, CE, or NEMA compliance to ensure international standards are met. Customization: Many ASEAN manufacturers provide tailored solutions for specific project requirements, including tray size, load capacity, and installation type.

Project Support: Manufacturers like Baruna and Foresight offer technical support and consultation throughout the project lifecycle. These manufacturers collectively cover a broad range of industrial, commercial, and infrastructure applications, making them reliable sources for stainless steel cable trays in the ASEAN region.
