Price List for Imported Network Cabling Racks

Overview

Cabling rack price, 2026 cabling rack price Manufacturers & Suppliers. The cabling rack price is classified under our comprehensive Network Cabinet range.

Key Takeaways

Imported network cabling racks vary in price depending on size, customization, and supplier, with options available from China-based manufacturers and distributors offering competitive rates.Supplier Options and Pricing Guidance
• Made-in-China Suppliers China-based manufacturers offer a wide range of network cabling racks, including server racks, network cabinets, and wall-mounted racks. Prices are typically factory-direct and customizable, allowing businesses to select dimensions, panel support, and OEM/ODM options. Wholesale pricing is available, and contacting suppliers directly is recommended to obtain a detailed quotation based on your specifications (size, material, and quantity) .

• COBTEL Precision Electronics Co., Ltd. COBTEL provides 42U and other standard-sized racks, including wall-mounted and data center cabinets. They offer personalized customization, free design drawings, and rapid delivery. For pricing, they encourage direct contact to receive a pricelist and quotation, especially for bulk orders .

• OTSCABLE Network Rack Cabinets OTSCABLE specializes in 19”, 21”, 23” and custom server racks with features like tool-less shelves, adjustable vertical mounts, and lockable doors. Prices are described as affordable and lower than market average due to direct factory manufacturing. For exact costs, contacting OTSCABLE for a custom quote is necessary .

• Progressive Electronics & Traders Offers a variety of imported and branded server racks, including complete rack accessories. Pricing varies by brand and specifications, and they provide both local and imported options. Direct inquiry is recommended for a current price list .
Key Considerations for Pricing
• Rack Size and Type: Standard 19” racks are generally less expensive than larger or custom 21” or 23” racks.

• Material and Build Quality: Cold-rolled steel racks with reinforced frames cost more but offer durability.

• Customization: Tool-less shelves, lockable doors, and adjustable panels may increase the price.

• Quantity: Bulk orders often receive discounted rates.

• Shipping and Import Costs: Imported racks may incur additional shipping, customs, and VAT charges depending on your location.
Recommendation

To obtain the most accurate price list for imported network cabling racks, it is best to contact suppliers directly with your specifications. This ensures you receive a tailored quotation that includes customization, shipping, and any applicable taxes. Suppliers like COBTEL, OTSCABLE, and verified Made-in-China manufacturers are reliable starting points for competitive pricing and bulk orders.
