

Average Price of New Italian Cable Trays

Overview

Cable Trays Market in Italy | Report Pricing in the Italian cable trays market is influenced by a complex set of factors, creating a dynamic and sometimes.

Key Takeaways

Italian-made cable trays typically range from €25 to €150 per meter, depending on material, type, and customization.

Pricing Overview

The cost of cable trays from Italian manufacturers varies widely based on material, design, and load capacity: Material: Stainless steel trays are more expensive (€80–€150 per meter) due to corrosion resistance and durability, while galvanized steel or aluminium trays are more economical (€25–€70 per meter) for standard industrial use. Type: Ladder trays, perforated trays, wire mesh trays, and solid-bottom trays differ in price. Ladder trays are generally mid-range, while custom perforated or solid trays for specialized environments can be higher.

Customization: Custom sizes, special coatings, or compliance with specific standards (EN, UL) increase costs. Italian manufacturers like Schiavetti Tekno, FEMI-CZ, and Zamet offer tailored solutions for industrial, civil, and infrastructure projects.

Factors Affecting Price

Load Capacity and Dimensions: Wider or heavier-duty trays cost more. Standard widths like 300 mm are common, but larger or reinforced trays are priced higher. Accessories: Elbows, junctions, supports, and covers add to the total cost.

Complete modular systems with protective covers for outdoor use can increase the price by 20–40%. Supplier and Export Costs: Italian suppliers export globally, and shipping, customs, and taxes can affect the final price. Leading exporters include WEIDMULLER LOGISTISCHE DIENSTLEISTUNGEN GMBH and BOCCHIOTTI S.

P. A., which dominate Italy's cable tray exports.

Typical Price Examples

Standard 300 mm ladder tray, galvanized steel: €25–€50 per meter
Stainless steel perforated tray, 300–400 mm: €80–€120 per meter
Custom solid-bottom or high-load tray: €120–€150+ per meter
Recommendations
Contact Italian suppliers directly for quotes based on your project specifications. Many provide technical support, testing, and after-sales assistance. Consider bulk orders to reduce per-meter cost.

Verify compliance with EN and UL standards if the installation is industrial or infrastructure-critical. By evaluating material, type, and supplier, you can select Italian-made cable trays that balance quality, durability, and cost for your project.
