Qatar Export Outdoor Communication Power Supply Cabinet 200kW CIF Price

Overview

Power Solutions for Business: Efficient qatar power storage cabinet. Discover cutting-edge solutions for efficient energy management with our industrial.

Key Takeaways

The CIF price for a 200kW outdoor energy storage or communication power supply cabinet is approximately US$500,000 per unit, with modular, lithium-ion battery systems suitable for industrial and commercial use.Product Overview

The 200kW outdoor power supply cabinets are all-in-one energy storage systems designed for industrial, commercial, and communication applications. Key features include:

• Battery Type: Lithium-ion ($LiFePO_4$) with dual BMS for safety and reliability .

• Capacity: Typically 200–225 kWh, expandable modularly to meet larger energy demands .

• Cooling System: Options include air-cooled or liquid-cooled designs, with thermal management systems and integrated air conditioning for battery safety .

• Protection & Standards: IP54–IP65 rated for outdoor use, with fire suppression systems and emergency power switching to grid or DG when needed .

• Energy Management: Equipped with EMS for real-time monitoring, remote control, and integration with PV or microgrid systems .

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

• Modularity: Supports multi-unit parallel connection, allowing scalability for larger installations .

CIF Pricing and Export Considerations

• Indicative CIF Price: Around US$500,000 per 200kW unit from Chinese suppliers, including shipping to international ports such as Qatar .

• Port of Origin: Commonly Shenzhen or Jiangsu, China .

• MOQ: Typically 1 unit, but larger orders may reduce per-unit cost.

• Customization: Suppliers can adjust battery capacity, inverter modules, and cooling systems based on project requirements .

Supplier Options

• Huijue Group: Offers modular liquid-cooled outdoor cabinets with global export experience .

• CNPC Jichai Power: Provides integrated energy storage cabinets with advanced BMS, EMS, and grid/off-grid switching .

• Trademarc Power / Alico: Supplies containerized 200kW lithium battery systems with hybrid inverter compatibility and modular expandability .

• Lowena / CIFisun Power: Offers 200kW $LiFePO_4$ cabinets with embedded air conditioning, scalable PCS modules, and intelligent monitoring .

Recommendations

• Confirm CIF terms with suppliers, including shipping, insurance, and customs clearance to Qatar.

• Verify technical specifications such as battery type, cooling method, and EMS compatibility with your communication infrastructure.

• Consider modular expandability if future energy demand may increase.

• Request pre-shipment testing and certification for safety compliance. These 200kW outdoor cabinets provide a reliable solution for communication power supply, industrial energy storage, and hybrid microgrid applications, with CIF pricing around US$500,000 per unit depending on configuration and shipping terms.
