

Belgian Metal Cable Tray Brands

Overview

Trayco has an extensive range of high-quality cable trays, cable ladders, mesh trays, mounting systems and floorsystems.

Key Takeaways

Notable Belgian metal cable tray brands include Trayco, DKC Europe, Vergokan, and Jeetmull Jaichandlall, offering a range of ladder, perforated, and mesh cable trays. Key Belgian Brands

Trayco specializes in 100% Belgian cable trays, mesh trays, and cable ladders, providing tailored solutions and installation guidance for industrial and civil projects. They focus on optimizing cable support systems and offer customized quotes for specific project needs (Trayco) . DKC Europe is a European leader with a strong presence in Belgium, offering comprehensive cable tray systems and energy distribution solutions for civil and industrial infrastructures, including metal trays suitable for heavy-duty applications (DKC Europe) . Vergokan produces and sells standard and custom cable support systems for electrical installations. They provide both metal and specialized cable trays, catering to industrial and commercial projects with a focus on quality and compliance (Europages) . Jeetmull Jaichandlall manufactures stainless steel cable trays in Belgium, offering a variety of sizes, shapes, and configurations. Their products are designed for durability, impact resistance, and ventilation, suitable for construction, mining, automotive, and industrial applications (Wiremeshes) .

Additional Considerations

Belgian cable tray manufacturers often provide:

- Customization: Tailored sizes, shapes, and materials to meet project requirements.
- Material Options: Galvanized steel, stainless steel, and fiberglass for corrosion resistance and durability.
- Installation Support: Guidance on layout, mounting, and compliance with European safety standards.
- Product Types: Ladder trays, perforated trays, and mesh trays for different cable management needs. These brands are recognized for their quality, adherence to industry standards, and ability to support complex electrical installations in Belgium and across Europe.
