Recommended suppliers of stainless steel cable trays in Mali

Overview

Since 1982, VALDINOX has been designing and manufacturing wire mesh cable trays, supports, and easy-installation accessories.

Key Takeaways

Siltec, MP Husky, and US Tray are among the top manufacturers of stainless steel cable trays suitable for sourcing in Mali.

Leading Manufacturers

Siltec is a well-established company with over 30 years of experience in cable routing systems and stainless steel cable trays. Their products are designed for industrial, office, and food industry applications, emphasizing hygiene, durability, and flexibility. Siltec offers global delivery and focuses on quality, customer service, and modern automated production processes, making them a reliable choice for Mali-based projects .

MP Husky manufactures a wide range of cable tray systems, including stainless steel, aluminum, galvanized steel, and wire mesh trays. They provide UL, CSA, and NEMA-certified products, ensuring compliance with international standards. MP Husky also offers made-to-order solutions, which can be tailored to specific project requirements in Mali .

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

US Tray specializes in custom cable trays, tray covers, and wire management accessories built to NEMA standards and UL-certified. Their products are suitable for commercial and industrial installations, providing high-quality, durable solutions for complex wiring systems .

Considerations for Mali
• Material Grade: Stainless steel grades 304 and 316L are commonly used for corrosion resistance, especially in humid or industrial environments. 316L is preferred for higher corrosion resistance.

• Customization: Companies like MP Husky and US Tray offer made-to-order trays, which is useful for projects with unique dimensions or load requirements.

• Shipping and Support: Ensure the manufacturer can ship to Mali and provide technical support or installation guidance. Siltec and MP Husky have experience with international deliveries.

• Applications: These trays are suitable for industrial plants, commercial buildings, IT infrastructure, and energy projects.
Recommendation

For high-quality stainless steel cable trays in Mali, Siltec is recommended for its global reputation, extensive experience, and focus on durable, hygienic designs. MP Husky and US Tray are excellent alternatives if customization and certification compliance are priorities. Engaging with these manufacturers directly will allow you to discuss shipping, pricing, and project-specific requirements to ensure the best solution for Mali .
