

Brunei Fiberglass Cable Tray Manufacturer

Overview

Our fiberglass cable trays not only withstand harsh environments but also offer excellent insulation properties.

Key Takeaways

Intralink Techno Sdn Bhd and Brilltech Engineers are among the top manufacturers of high-quality fiberglass cable trays in Brunei. Intralink Techno Sdn Bhd

Intralink Techno is a globally recognized manufacturer specializing in pultruded FRP/GRP products, including the INTECH cable support system and structural profiles. Their fiberglass cable trays are designed to meet NEMA and IEC standards, and are widely used in oil & gas, power, and industrial infrastructure projects. The company offers over 100 profile types, including I-beams, hollow sections, and C-channels, ensuring solutions for both standard and customized applications. Their products are third-party tested and ABS-approved, emphasizing durability and corrosion resistance, which is critical for Brunei's humid climate (Intralink Techno Sdn Bhd) .

Brilltech Engineers

Brilltech Engineers is a trusted local manufacturer and supplier of cable trays in Brunei. They provide a comprehensive range of standard and customized fiberglass cable trays, catering to various industry requirements. Their focus on customer satisfaction and adherence to industry standards makes them a reliable choice for both commercial and industrial installations. Brilltech also offers competitive pricing and local support, which can be advantageous for timely project delivery (Electrical Panel Manufacturers) .

Other Considerations

While Intralink Techno offers internationally certified, high-performance products suitable for large-scale industrial projects, Brilltech Engineers provides locally accessible solutions with customization options. Depending on your project scale, environmental conditions, and budget, either company could be the best choice. For additional options, a list of fiberglass companies in Brunei, including KEN AND TAN SDN BHD, is available for comparison ([ListCompany.org](#)) .

Recommendation

For high-end industrial applications requiring certified, corrosion-resistant fiberglass cable trays, Intralink Techno Sdn Bhd is recommended. For local projects with flexible customization and faster delivery, Brilltech Engineers is a strong alternative. Contacting both companies to review catalogs, certifications, and pricing will help determine the best fit for your specific needs.
