Saudi Arabian Electrical Cable Tray Support Cable Tray Factory

Overview

Coastal Saudi is the one of the Leading Cable Tray and Ladder Support material suppliers in saudi Arabia, Al-jubail, know for suppling quality Products.

Key Takeaways

Leading cable tray manufacturers in Saudi Arabia include Adhwa Al-Rawafid Electric Industries, Al Amal Co., Hitech Fence, and MECSS, offering a wide range of cable management solutions for industrial and commercial projects. Key Manufacturers1.

Adhwa Al-

Rawafid Electric Industries Based in Dammam, Adhwa has been manufacturing cable trays and accessories since 2006. They supply ladder, channel, and runway cable tray systems made from materials such as aluminum, mill-galvanized steel, hot-dipped galvanized steel, stainless steel (304/316), painted, PVC-coated, powder-coated, and epoxy-coated. Their products are suitable for power, control, and communication cables, and they provide all necessary fittings, supports, and hardware.

Adhwa is ISO 9001-2015 certified, ensuring quality and reliability in industrial applications. 2. Al Amal Co.

Al Amal specializes in cable tray systems for commercial and industrial construction. They offer cable ladder systems, fittings, and accessories, including embedded channels for limited spaces, which can be installed without drilling or anchoring. Their solutions are designed for easy installation, high strength, and adaptability in dynamic wiring environments.

3. Hitech Fence Hitech Fence provides heavy-duty cable tray systems engineered for durability and flexibility. Their trays support power, control, and communication cables in industrial plants, data centers, warehouses, and large MEP projects.

They offer GI, hot-dip galvanized, and powder-coated finishes, suitable for harsh environments, outdoor installations, and desert conditions. Hitech emphasizes ease of installation, maintenance, and future expansion. 4.

MECS

S (Middle-East Cable Support Solutions) MECSS has over 20 years of experience in manufacturing cable trays, ladders, trunking, and complete cable support solutions. They cater to a wide range of industrial and commercial applications, providing customized solutions for complex cable management requirements. Considerations for Choosing a ManufacturerMaterial and Finish: Choose based on environmental conditions (e.g., stainless steel for corrosive areas, HDG for outdoor use).

Tray Type: Ladder trays for long spans, channel trays for smaller cable runs. Certifications: ISO or other quality certifications ensure compliance with industrial standards. Accessories and Support: Availability of fittings, supports, and installation hardware is crucial for project efficiency.

Project Scope: Consider manufacturers that can handle large-scale industrial or utility projects if needed. These manufacturers provide comprehensive solutions for industrial, commercial, and utility projects in Saudi Arabia, ensuring reliable cable management and long-term performance.
