Net

Link Trust Responsible for Singapore's nationwide FTTH infrastructure, NetLink Trust is a major network company providing fiber optic solutions for residential and commercial applications. 4. Nexans Singapore Pte Ltd Part of the global Nexans Group, Nexans Singapore manufactures a wide range of fiber optic cables for telecommunications, data centers, and industrial projects, ensuring compliance with international standards.

5. Prysmian Group Singapore Prysmian is a world leader in cable manufacturing, offering cutting-edge fiber optic solutions for telecom and energy sectors, with strong regional presence and OEM services. 6.

Fiber

Tek Pte Ltd Established in 1999, FiberTek provides a comprehensive range of fiber optic cables, custom cables, and termination accessories. Their products include uni-tube cables designed to prevent water penetration, suitable for both indoor and outdoor applications. 7.

Yitofc Fiber Optic Cable Manufacturer With 12 years of experience and ISO9001 certification, Yitofc operates multiple production lines in Singapore, supplying high-performance optical cables for 5G networks, data centers, and smart city projects. 8. Device Electronics & Nagasima Electronic Engineering Pte Ltd Device Electronics offers single-mode and multi-mode fiber optic cables for indoor and outdoor use, while Nagasima specializes in rugged indoor cables for harsh environments, including conduits and patch panels.

9. Amberwork Source Pte Ltd Specializes in standard and air-blown fiber optic cables, compliant with IEC 60793 and EIA/TIA standards, providing flexible and durable solutions for telecommunications and safety systems. 10.

Masstron Masstron manufactures jumper cables, provides on-site termination and testing services, and supplies fiber optic solutions across multiple industries, including industrial automation and telecommunications.

Additional Notable Suppliers

Starview Technologies: High-speed communications infrastructure, optical patch cords, and programmable optical devices for industrial and military applications.

Fibre
