1. Foresight Metal Engineering Pte Ltd Established in 1992, Foresight Metal Engineering specializes in metal cable trays, trunkings, and ladders for commercial and industrial projects in Singapore. Their FME brand is known for high-quality design and compliance with industry standards. They offer customized solutions tailored to project-specific requirements, supporting a wide range of materials including stainless steel, aluminum, and galvanized steel. Foresight serves industries such as pharmaceutical, medical, commercial, and marine, providing both standard and heavy-duty ladder cable trays with robust load capacities (Foresight Metal Engineering Pte Ltd), . 2. United U-Li Projects Pte Ltd Founded in 2009, United U-Li Projects provides a comprehensive range of cable trays, cable ladders, trunkings, conduits, fittings, and floor trunking systems. They cater to diversified industrial projects in Singapore, offering both standard and customized ladder-type cable trays suitable for complex installations (United U-Li Projects Pte Ltd), . 3. Super Cable Tray Pvt. Ltd. Although originally based in India, Super Cable Tray manufactures and supplies ladder cable trays in Singapore. Their products are made from mild steel, aluminum, and stainless steel, designed for durability, corrosion resistance, and ease of maintenance. They also provide engineered accessories such as bends, risers, reducers, and tees to ensure mechanical stability in heavy-duty electrical networks. Super Cable Tray serves factories, hospitals, airports, and data centers, offering solutions that simplify cable management and installation (Super Cable Tray Pvt. Ltd.), .

Product Features and Materials
• Materials: Stainless steel (SS304, SS316), aluminum, mild steel, hot-dipped galvanized (HDG), epoxy-coated finishes.

• Design: Open ladder rungs for easy cable access, customizable lengths, and load-bearing capacities.

• Compliance: Products meet international standards such as IEC 61537, NEMA VE-1, and Singapore Standard SS249.

• Accessories: Bends, risers, reducers, tees, and earthing strips for safe and stable installations.
Summary

For projects in Singapore requiring ladder-type cable trays, Foresight Metal Engineering, United U-Li Projects, and Super Cable Tray provide reliable, high-quality solutions. They offer customization, durable materials, and compliance with safety standards, making them suitable for industrial, commercial, and specialized applications. These manufacturers also provide supporting accessories and technical guidance to ensure proper installation and long-term performance.
