Litmus Industries Ltd. Established in 1977, Litmus is Nepal's largest and most trusted manufacturer of wires, cables, and conductors. They produce a wide range of products including household wiring, low-voltage power cables, control cables, and flame-retardant wiring solutions. Their products are engineered with premium-grade raw materials, undergo rigorous quality testing (dimensional checks, tensile strength, electrical conductivity, insulation resistance), and meet both national and international standards. Litmus has a manufacturing capacity of 2.5 million coils per year, ensuring large-scale supply without compromise . Bhusal Cable and Wire Industries Pvt. Ltd. Located in Rupandehi with offices in Butwal and Kathmandu, Bhusal Cable manufactures multistrand wires, power cables (armoured/unarmoured), ACSR conductors, house wires, and PVC products. Their production follows strict quality control from raw material procurement to packaging, and they hold NS and ISO certifications, making them a reliable choice for both domestic and export markets . Janaki Cable Industry ISO 9001:2015 certified, Janaki Cable specializes in high-quality wires, ACSR conductors, and power cables. Since 2013, they have focused on providing safe and reliable electrical solutions, catering to both industrial and residential needs . Premier Wires (Sharda Group) Based in Duhabi, Sunsari, Premier Wires produces a versatile range of wires and cables, including G.I. wires, H.B. wires, annealed wires, aluminum and copper wires, ACSR and AAC conductors, house wiring cables, flexible cables, telecom and control cables, and more. They are ISO 9001 certified and supply large-scale government and international aid projects, with growing exports to neighboring countries .

Key Advantages of Direct Sourcing

• Quality Assurance: Directly from manufacturers ensures products meet rigorous testing standards.

• Customization: Manufacturers can provide specific sizes, specifications, and insulation types for your project.

• Cost Efficiency: Eliminates middlemen, often reducing procurement costs.

• Bulk Supply Capability: Leading manufacturers can handle large-scale industrial or infrastructure projects.

Conclusion

For upgraded Nepalese wiring units, Litmus Industries, Bhusal Cable, Janaki Cable, and Premier Wires are top choices. They offer high-quality, certified products directly from the factory, suitable for a wide range of applications from household wiring to industrial and infrastructure projects. Direct engagement with these manufacturers ensures reliability, compliance with standards, and access to the latest wiring technologies.
