Trans

Delta products are ISO-certified and meet international quality standards. They have modern manufacturing infrastructure and a strong presence in Qatar and GCC countries, serving prestigious projects with reliable and safe cable support systems. 3.

Advance Line Cable Management System L. L. C Advance Line manufactures cable trays, ladders, trunking, basket trays, strut channels, and GI switch boxes.

Their factory in Birkat Al-Awamer, Doha, is equipped for large-scale production. Products are fully compliant with British standards, designed for easy installation, and optimized for airflow and dust prevention. Advance Line is recognized for high-performance, durable solutions tailored to industrial and commercial infrastructure needs.

4.

Serve

Gas Serve

Gas is a trusted supplier in Doha, providing industry-leading cable trays and cable management solutions. They focus on efficient cable management for various applications, offering both standard and customized solutions to meet project-specific requirements. 5.

Qatar Technical Qatar Technical offers cable support systems including cable trays, trunking, and ladders. Their products are made from pre-galvanized steel, with options for hot-dip galvanization. They provide solid and perforated tray designs for optimal cable support and cooling, along with a wide range of accessories such as cantilever arms, clamps, and U-channels.

Their solutions are suitable for industrial and building construction projects requiring heavy or high-volume cabling support.

Summary

For sourcing cable trays in Qatar, these manufacturers provide a variety of materials, designs, and certifications to suit industrial, commercial, and infrastructure projects. Altura Industries, TransDelta, and Advance Line are particularly noted for large-scale production and compliance with international standards, while ServeGas and Qatar Technical offer flexible solutions and installation support. Choosing a manufacturer depends on project scale, material requirements, and specific cable management needs.
