1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a prominent supplier of cable trays in Madagascar, offering a wide range of products including galvanized, stainless steel, perforated, ladder, and raceway cable trays. They provide customizable solutions for industrial, commercial, and residential projects, ensuring compliance with safety standards. Their trays are designed for durability, corrosion resistance, and optimal cable management, and they can assist with system design, installation support, and technical guidance . 2. Jeetmull Jaichandlall (P) Ltd. This manufacturer provides high-quality cable trays in various sizes, shapes, and materials suitable for multiple industries. Their products are robust, impact-resistant, and designed for proper ventilation, which is essential for fire safety. They also offer custom fabrication to meet specific project requirements . 3. Flamro Flamro specializes in fire protection for cables and cable trays, offering tested solutions like FLAMMOTECT-A fire protection coating and DG-CR 0.7 fire protection tape. These products are designed to delay fire spread, protect cables from environmental hazards, and maintain functionality during fire emergencies. Flamro solutions are suitable for industrial plants, hospitals, airports, power stations, and offshore facilities, making them ideal for projects requiring high fire safety standards .

Considerations for Fire-Fighting Cable Trays
• Material Selection: Opt for galvanized steel, stainless steel, or fiberglass trays for enhanced fire resistance and durability.

• Fire Protection Coatings: Use fire-resistant coatings or tapes to prevent flame propagation along cable runs.

• Compliance: Ensure the trays meet local and international fire safety standards.

• Installation Support: Work with suppliers who provide technical guidance and installation assistance to ensure proper fire safety measures. For sourcing, you can contact Brilltech Engineers Pvt. Ltd. directly via their website or phone, or reach out to Flamro for specialized fire-protection solutions. Both suppliers can provide customized fire-fighting cable trays suitable for your project in Madagascar.
