Key Takeaways

Several Ukrainian companies, including Industry Ukraine, Ensytec, and Brilltech Engineers, offer high-quality galvanized cable trays suitable for industrial and commercial projects. Recommended Companies1. Industry Ukraine Industry Ukraine manufactures galvanized metal cable trays designed for durability and safety.

Their trays are made from cold-rolled steel, hot-galvanized, and comply with climatic version "U" and placement category "3". The system includes solid and perforated trays, lids, corners, connectors, splitters, and brackets. Their trays feature reinforced ribs and smooth edges to prevent cable damage, making them suitable for both civil and industrial installations.

2. Ensytec Ensytec is a supplier of electrical installation products in Ukraine, including galvanized cable trays. They are official distributors of brands like Baks (cable trays) and provide solutions for commercial and industrial projects.

Ensytec has experience in large-scale projects and offers reliable supply and support. 3. Brilltech Engineers Pvt.

Ltd Brilltech Engineers offers a wide range of cable trays, including galvanized ladder, perforated, and solid trays. They provide customized solutions for residential, commercial, and industrial sectors. Their products are manufactured with high-quality materials and advanced machinery, ensuring corrosion resistance and structural strength.

Brilltech also offers after-sale support and timely delivery, making them a trusted supplier in Ukraine.

Considerations for Selection

Project Requirements: Choose a supplier that can provide the specific type of tray (ladder, perforated, solid) and customization options. Quality and Standards: Ensure the trays are hot-dip galvanized and meet local electrical installation standards. Delivery and Support: Consider suppliers with proven delivery capabilities and technical support for installation.

For projects in Ukraine, Industry Ukraine, Ensytec, and Brilltech Engineers are reliable options for galvanized cable trays, offering both standard and customized solutions for various industrial and commercial applications.
