Yemeni manufacturers selling fiber optic cables

Overview

Both the launch cable and the receive cable functions are performed by a fibre ring. The company Specialised Products Company sells FiberXP OTDR Launch Cables and AFL Fibre Rings.

Key Takeaways

Fast Link and Al Namany Trading are leading companies in Yemen offering fiber optic cables and related services.

Fast Link

Fast Link provides a wide range of high-performance fiber optic cables designed for high-speed data transmission and network stability in Yemen. Their services include fiber optic cable installation, maintenance, and repair, as well as supplying all types of cables and accessories. They also offer customized solutions tailored to specific business needs, making them a comprehensive provider for organizations of all sizes in Yemen.

More information can be found on their website at Fast Link.

Al Namany Trading

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

Al Namany Trading is a prominent Yemeni company involved in trade, import, and contracting, including the supply of cables and communications equipment. They focus on providing the latest technology products to the Yemeni market and offer consulting services, ensuring that clients receive solutions that meet their technical requirements. Their operations also extend to renewable energy and electrical systems, which may complement fiber optic infrastructure projects.

Additional Suppliers and Market ResourcesGo4WorldBusiness lists verified Yemeni fiber optic cable suppliers, connecting buyers with wholesale suppliers for bulk purchases. Market reports from 6Wresearch and Mobility Foresights provide insights into the Yemen fiber optic cable market, including trends, growth drivers, and forecasts, which can help businesses make informed purchasing decisions.

Summary

For businesses or individuals seeking fiber optic cables in Yemen, Fast Link and Al Namany Trading are reliable options offering both products and services. For bulk purchasing or market intelligence, online supplier directories and market reports provide additional resources to identify other suppliers and understand market dynamics.
