

Electric distribution box manufacturers near Qatar

Overview

Wall Mounted Distribution Box Distribution boxes are suitable for in- and outdoor areas. The boxes are available in different sizes and designs. The massiv.

Key Takeaways

Key manufacturers and suppliers of electric distribution boxes in Qatar include Al Ayadi, Falkland Electricals, Al Feroz, Tesla Qatar, and Electron Qatar. Leading Suppliers and Manufacturers

Al Ayadi offers a variety of enclosure boxes, including DB and SMDB types, with specifications such as IP66 protection and IK10 impact resistance, suitable for industrial and commercial applications . Falkland Electricals & Trading Co. W.L.L, established in 1998, supplies both standard and non-standard electrical items, including distribution boards, to the Qatari construction and industrial sectors. They are authorized distributors of reputed brands and maintain a quality management system aligned with international standards . Al Feroz International Trading WLL specializes in electrical products and provides a range of distribution boards and related equipment for various applications . Tesla Innovative Power Solutions manufactures type-tested low-voltage distribution boards suitable for residential, commercial, and industrial properties, offering solutions tailored to local electrical standards . Electron Qatar focuses on high-quality plastic enclosure boxes, including weatherproof models (IP69) for outdoor installations, enhancing wire and cable management while ensuring functional and insulation integrity .

Considerations for Selection

When choosing a manufacturer or supplier in Qatar, consider:

- Product specifications: IP rating, material, and size to match installation requirements.
- Compliance and certifications: Ensure products meet local and international electrical standards.
- Service and support: Availability of installation guidance, warranty, and after-sales support.
- Customization options: Some suppliers offer tailored solutions for specific industrial or commercial needs. These companies provide a comprehensive range of distribution boxes and enclosures, making them suitable for various electrical projects in Qatar.
