Estonian cable trays

Overview

estonian-manufacturer-of-u-shaped-steel-cable-trays Manufacturer. 26 suppliers for estonian-manufacturer-of-u-shaped-steel-cable-trays Manufacturer/Produ.

Key Takeaways

Estonia offers a range of cable tray solutions, including steel, aluminum, PVC, and mesh systems, with local suppliers providing installation, maintenance, and compliance with international standards. Key Suppliers and ServicesA-Kaabel is a leading Estonian provider of cable installation services, offering cable trays, underground and overhead cable laying, and fiber-optic installations. They provide full-service solutions including planning, installation, testing, and up to 10 years warranty on installations, covering both high and low voltage systems, as well as low current networks like internet and security systems.

Other suppliers include Niedax, Eurotray, and Kasmetal, which offer steel, stainless steel, PVC, GRP, and aluminum cable support systems suitable for industrial and commercial applications. These companies provide ready-to-install trays and accessories, ensuring compliance with international standards. Retailers like Ahlsell supply sendzimir galvanized cable ladders, perforated trays, and accessories for both industrial and residential projects, with options for different lengths and load capacities.
