

German Fiber Optic Sensor Replacement Manufacturer

Overview

Heracle is a Germany-based supplier of custom-designed specialty optical fiber solutions and off-the-shelf fiber products.

Key Takeaways

Leading German manufacturers for fiber optic sensor replacements include FiSens GmbH, FOS Inon Optics, fionec GmbH, and FOC – fibre optical components GmbH. Key Manufacturers

FiSens GmbH specializes in high-performance fiber Bragg grating (FBG) sensor arrays and fiber-integrated spectrometers. Their sensors are designed for harsh environments and applications such as structural monitoring, medical instruments, and industrial systems. FiSens emphasizes compact, precise, and reliable FBG hardware, making them a strong choice for replacement or custom fiber optic sensors in demanding applications (FiSens GmbH) . FOS Inon Optics offers custom-tailored fiber optic solutions, including multimode fibers and precision optical assemblies. They focus on high-precision manufacturing with eccentricity deviations below 15 μm , ensuring minimal light loss. Their products are widely used in medical lasers, spectroscopy, process analytics, and industrial quality assurance. FOS Inon is known for “Made in Germany” quality, long service life, and reproducible performance, making them suitable for specialized replacement sensors (FOS Inon Optics) . fionec GmbH provides innovative precision optical fiber measurement systems and tailor-made fiber-optic components. They develop custom measuring solutions, perform simulations, and offer contract measurements. fionec also distributes Corning® optical fibers for metrology, laser technology, life sciences, and telecommunications, making them a versatile supplier for replacement fiber optic sensors and components (fionec GmbH) . FOC – fibre optical components GmbH is a family-owned company based in Berlin-Adlershof, producing high-quality fiber optic components for over 30 years. They serve network operators, energy providers, research institutions, and industrial clients. FOC manufactures components in-house, ensuring quality control and reliability, which is essential for sensor replacement in critical applications (FOC GmbH) .

Considerations for Choosing a Manufacturer

- **Application Requirements:** Determine whether you need FBG sensors, temperature sensors, or custom optical assemblies.
- **Precision and Reliability:** Look for manufacturers with high-precision production and proven performance in harsh environments.
- **Customization:** Some companies, like FOS Inon and fionec, offer tailored solutions for specific project needs.
- **Regulatory Compliance:** Ensure the manufacturer adheres to EU standards and environmental regulations. These German manufacturers provide a combination of precision, reliability, and customization, making them suitable for replacing or upgrading fiber optic sensors in industrial, medical, or research applications.

Custom Fiber Optic Solutions & Optical Sensors | FOS

Discover precise fiber solutions for industrial applications. We specialize in custom fiber cables, fiber optic

Home heracle GmbH

Heracle is a Germany-based supplier of custom-designed specialty optical fiber solutions and off-the-shelf fiber products.

Fiber optic sensor Germany | B2B companies and suppliers

Metrics GmbH is your reliable supplier for data loggers, weather stations, sensors, and accessories. The range includes solutions for

fionec fiber optics – Optical Sensor Technology

fionec GmbH is technology leader when it comes to innovative precision optical fiber measurement systems and tailor-made fiber

Top 100 Optical Sensor Manufacturers in Germany (2026) | ensun

Discover all relevant Optical Sensor Manufacturers in Germany, including Micro Epsilon and ADVA Optical Networking

Optical Sensor Technology | FOS Inon Fiber Optics

Our optical sensor technology systems are developed and manufactured to the highest quality standards at our facilities in Germany.

We offer fiber optic light guides for customized solutions in sensor ...

We are your partner for fiber optic solutions in industry, sensor technology and medical technology. We work closely with our

Cutting-Edge Fiberoptic Sensing | FiSens GmbH

FiSens develops, manufactures, and markets accurate fiberoptic sensor solutions based on fiber Bragg grating (FBG) sensor arrays

Home

engionic Fiber Optics GmbH manufactures FBG based fiber optic sensors that open up completely new sensing possibilities, as well

GP Fiber Optics

GP Fiber Optics has been working with architects, designers, studios and artists for more than 25 years to meet this challenge. The

Distributed Fiber Optic Sensing Solutions | AP Sensing

We create the most compelling fiber optic sensing solutions, empowering the world optimize assets, protect lives and the environment.

Manufacturer For Industrial Sensor Technology

Industrial Sensors Made In Germany We set new standards in industrial sensor technology. Our high

Custom Fiber Optic Solutions & Optical Sensors | FOS

Discover precise fiber solutions for industrial applications. We specialize in custom fiber cables, fiber optic

Fiber Optic Sensors | Suppliers

Fiber Optic Sensors Explore 72 top manufacturers and suppliers of Fiber Optic Sensors in our comprehensive photonics buyers"

Development of fiber optic sensor technology

Development of fiber optic sensor technology In industrial manufacturing, especially in automotive, microsystems and medical

Fiber Optic Sensors Manufacturers and Suppliers in the USA

Distributor of fiber optic sensors for electronics, medical, food, beverage, oil, and gas industries. Proximity, photoelectric, vision,

Optical Sensors companies from Germany ⇒ chemeurope

The business directory for optical sensors companies All companies incl. products, news & contact information Find suppliers now!

Optical sensors | Measurement with optical sensor technology ...

Manufacturer | United States: Luna Innovations is a leader in optical technology, committed to serving its customers with unique

Top 15 Fiber Optic Manufacturers (2026 Global Ranking)

An authoritative 2026 guide to the top 15 fiber optic manufacturers — from Corning and Prysmian to

Top Fiber Optic Cable Manufacturers in Germany

The Fiber Optic Cable industry in Germany presents several key considerations for those interested in researching companies within

Fiber optic Manufacturer/producer Germany

513 suppliers for fiber-optic Manufacturer/Producer Find wholesalers and contact them directly B2B marketplace Find companies now!
