

How to price cable tray hangers

Overview

12" Center Hanger - Only one threaded rod is needed to suspend tray. Suspension tube protects cables.

Key Takeaways

Cable tray hangers typically range from around \$13 to \$50 per unit, depending on type, size, and material. Overview of Pricing

Cable tray hangers are available in various styles, including G hanger overhead support brackets, stand-off brackets, trapeze hangers, wall-mounted brackets, and suspension hooks. Prices vary based on material (pre-galvanized steel, hot-dipped galvanized steel, stainless steel), size, and load capacity. For example, small under-desk cable management racks start at \$13.77, while more robust industrial hangers for overhead cable trays can cost \$30-\$50 or more per unit depending on specifications and supplier.

Factors Affecting Cost

- **Material:** Stainless steel or hot-dipped galvanized steel hangers are more expensive than pre-galvanized or carbon steel options.
- **Size and Load Capacity:** Larger hangers for 150mm-225mm cable trays or heavy-duty applications cost more than smaller 75mm-100mm brackets.
- **Type of Hanger:** Trapeze-style hangers or specialized seismic-rated hangers are generally higher in price than simple wall-mounted or J-hook hangers.

- **Quantity and Packaging:** Some suppliers sell in bulk (e.g., packages of 50), which can reduce the per-unit cost .

Supplier Examples

- **Walmart:** Under-desk cable tray hangers start at \$13.77, with larger cable management racks around \$29.99 .
- **Direct Channel:** Offers G hanger support brackets and stand-off brackets, with prices typically in the \$20-\$50 range depending on size and finish .
- **Platt Electric Supply:** Provides trapeze and universal hangers, often sold in bulk packages, with pre-galvanized or carbon steel options suitable for industrial installations .
- **Alibaba:** Offers a wide range of customizable cable tray hangers for commercial and industrial use, with prices varying significantly based on material, size, and order quantity .

Summary

For budgeting purposes, expect to pay \$13-\$50 per hanger, with higher costs for heavy-duty, stainless steel, or specialized hangers. Bulk purchases or industrial suppliers may offer discounts, while small consumer-grade hangers are available at lower prices for desk or light-duty applications .
