

Israel Cable Tray Manufacturing Company

Overview

Cable Tray In Israel, Cable Tray Manufacturers Suppliers Israel Thanks to innovation and improved technology, we have evolved into a one-stop shop for Cable.

Key Takeaways

Brilltech Engineers, Jeetmull Jaichandlall, and Cable House are leading cable tray manufacturers and suppliers in Israel, offering a wide range of customized solutions for industrial, commercial, and residential applications.

Leading Manufacturers

Brilltech Engineers Pvt. Ltd. is a prominent manufacturer and exporter of cable trays in Israel, providing products such as ladder cable trays, perforated cable trays, PVC cable trays, mild steel trays, and stainless steel trays. They focus on customized solutions, high-quality raw materials, and advanced manufacturing technology to ensure durability and compliance with international standards.

Their galvanized cable trays are particularly noted for corrosion resistance and robust construction, suitable for electrical, automotive, and construction industries. Brilltech also offers after-sale support and timely delivery for both domestic and international clients. Jeetmull Jaichandlall (P) Ltd. is recognized for its high-quality finishing and versatile cable tray designs.

They manufacture trays in various sizes, shapes, and colors, catering to diverse industrial requirements. Their on-site manufacturing facility uses modern equipment and advanced technology, ensuring adherence to industry standards. The company is considered among the top 10 cable tray manufacturers and exporters in Israel, serving both local and global markets.

Cable House is another reputable manufacturer, offering a comprehensive range of cable trays designed for durability, reliability, and long operating life. They utilize graded raw materials and the latest technologies to meet industry norms and provide competitive pricing for both domestic and international clients. Their products are suitable for a wide range of industrial applications and are known for flawless operation over extended periods.

Product Range and Features

Ladder Cable Trays: Strong, durable, and ideal for heavy-duty cable management.

Perforated Cable Trays: Allow ventilation and heat dissipation for electrical cables.

PV

C Cable Trays: Lightweight, corrosion-resistant, and suitable for indoor applications.

Galvanized and Stainless Steel Trays: Provide long-term durability and resistance to harsh environmental conditions. Custom Solutions: Manufacturers offer tailored sizes, dimensions, and materials to meet specific project requirements.

Why Choose These Manufacturers

Advanced Infrastructure: Modern machinery and technology ensure precise manufacturing. Quality Assurance: Strict adherence to industry standards and thorough quality checks. Global Reach: Many manufacturers export to Middle Eastern countries, Africa, and beyond.

Customer Support: Dedicated teams provide consultation, customization, and after-sale services. For businesses or projects in Israel seeking reliable cable tray solutions, Brilltech Engineers, Jeetmull Jaichandlall, and Cable House are among the most trusted options, offering high-quality, durable, and customizable products suitable for a wide range of applications.
