

List of Western European Mesh Cable Tray Suppliers

Overview

255 suppliers for cable trays Manufacturer/Producer Find wholesalers and contact them directly B2B marketplace Find companies now!

Key Takeaways

Leading Western European mesh cable tray manufacturers include VALDINOX, DKC Europe, Niedax Group, and Eurotray, offering high-quality wire mesh and steel cable management solutions. Key Companies

VALDINOX (Italy) VALDINOX specializes in wire mesh cable trays, supports, and accessories, with one of the largest production capacities in Europe. Their EASYCONNECT® system integrates fixing solutions that reduce installation time and costs while enhancing strength and safety. VALDINOX emphasizes custom-made solutions and high-quality manufacturing for diverse industrial and civil applications .

DKC Europe (Italy/Europe-wide) DKC Europe is a European leader in cable tray systems, providing a comprehensive range of solutions for civil and industrial infrastructures. Their offerings include energy protection, transport, and distribution systems suitable for complex installations .

Niedax Group (Germany and Europe-wide) The Niedax Group offers steel, aluminum, PVC, and GRP cable management systems, including mesh and ladder trays. They provide full-service solutions, including planning, technical consulting, and installation support. Their subsidiaries, such as Rico Engineering and Spina Group, specialize in large-scale industrial and energy projects, ensuring tailored solutions for demanding environments .

Eurotray Support Systems (Germany) Eurotray manufactures metal cable trays and support systems designed for heavy cable loads, vertical applications, and industrial hygiene requirements. Their products are widely used in data centers, food manufacturing plants, and industrial facilities, offering turnkey solutions with specialized fixing components .

Other Notable Suppliers

- PFLITSCH GmbH & Co. – Stainless steel cable trays and accessories in Germany .
 - WDM Deutenberg – Corrosion-resistant cable trays in Germany .
 - CABLE EQUIPEMENTS (France) – Equipment and cable tray solutions near Paris .
- Considerations for Selection

When choosing a mesh cable tray supplier in Western Europe, consider:

- Material and load capacity (steel, aluminum, or coated finishes)
 - Customization options for specific project requirements
 - Installation systems that reduce labor and improve safety
 - Regional support and delivery capabilities for timely project execution
- These companies provide robust solutions for industrial, commercial, and infrastructure projects, ensuring compliance with European standards and high-quality cable management systems.
