Malta Galvanized Cable Tray Brands

Overview

Brownrig, Supplies, Galvanised Steel Cable TraysThe Company occupies a head office, extensive premises and works in the heart of the business Cable Managem.

Key Takeaways

Leading suppliers of galvanized cable trays in Malta include Brownrig Supplies Direct and IEK Cable Installation Systems, offering a full range of trays and accessories for electrical installations.Key Manufacturers and Suppliers

1. Brownrig Supplies Direct Ltd. Brownrig Supplies Direct is a prominent supplier of mechanical and electrical products in Malta, located in the harbour area for convenient storage and distribution. They provide galvanized steel cable trays suitable for various industrial and commercial projects, along with installation materials and components required for electrical systems . 2. IEK Cable Installation Systems IEK offers a comprehensive range of perforated and non-perforated galvanized steel cable trays. Their systems include wall and ceiling fittings, vertical and horizontal bends, T- and X-type joints, and male-female connectors for secure assembly. The trays are designed for easy maintenance, structural strength, and flexible routing of power and low-voltage cables . 3. Malta Business Book Directory The Malta Business Book provides a directory of companies supplying cables and cable trays in Malta and Gozo. This resource can help identify additional local suppliers and manufacturers, including smaller or specialized providers .

Product Features to Consider
• Material: Galvanized steel for corrosion resistance and durability.

• Tray Types: Perforated, non-perforated, and mesh trays.

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

• Accessories: Bends, joints, dividers, and mounting kits.

• Installation Flexibility: Wall, ceiling, and floor mounting options.

• Standard Lengths: Typically 3 meters per tray, with modular connectors for complex routing . These suppliers provide both standard and customizable solutions for electrical cable management, ensuring compliance with safety and engineering requirements in Malta. For procurement, contacting the companies directly or consulting the Malta Business Book directory is recommended.
