

Mauritius electrical distribution box exterior

Overview

Distribution Boxes in Mauritius | Breaker Enclosures – Shop high-quality distribution boxes and enclosures for circuit breakers at Electrical.mu. Designed.

Key Takeaways

You can find high-quality outdoor electrical distribution boxes in Mauritius through specialized suppliers like Electrical.mu, Legrand Mauritius, Rayon D'or, Ecodis, and online platforms such as Desertcart. Local Suppliers and StoresElectrical.mu – Offers a wide range of distribution boxes and enclosures for residential, commercial, and industrial use. Their selection includes weatherproof cabinets like Legrand Plexo³ (IP65) and Practibox S models suitable for outdoor installations.

Legrand Mauritius – Provides cabinets and enclosures including Practibox S, Drivia, XL³, and Plexo³, with options for flush or surface mounting and weatherproof designs for outdoor use. Rayon D'or – Stocks Plexo Boxes with IP56 ratings, suitable for outdoor electrical connections, and various sizes to accommodate different installation needs. Ecodis – Distributor of electrical solutions including weatherproof boxes, switchgear, and concealed boxes, catering to both residential and industrial projects.

Desertcart Mauritius – Offers IP66 waterproof ABS plastic junction boxes for outdoor use, with delivery across Mauritius.

Additional Options

Quincaillerie A1 – Online hardware store with electrical boxes and accessories, though selection may be more limited compared to specialized electrical suppliers. Other Electrical Wholesalers – Suppliers like Happy House Ltd, Rey & Lenferna Ltd, Simelec Ltee, and Maurelec Ltd in Port Louis and Rose Hill also carry distribution boxes and enclosures suitable for outdoor installations. Tips for Choosing Outdoor Distribution Boxes IP Rating: For outdoor use, choose boxes with IP65 or higher to ensure protection against dust and water.

Material: Opt for durable plastic or metal enclosures resistant to UV and corrosion. Size and Modules: Select a box that accommodates your current and future electrical modules. Compliance: Ensure the product meets IEC 61439-3 standards for safety and reliability.

By visiting these suppliers or their online stores, you can compare sizes, brands, and prices to find the most suitable outdoor electrical distribution boxes for your project in Mauritius.
