

New Zealand Cable Tray Specialist

Overview

We offer a range of versatile and cost effective cable support systems, as well as an in-house custom solution design service.

Key Takeaways

Tilley & Patton Ltd, Ideal Electrical Suppliers, Steel & Tube, and FDG are leading cable tray providers in New Zealand offering a wide range of products and custom solutions. Tilley & Patton Ltd specializes in designing and manufacturing sheetmetal cable trays and components across New Zealand. They offer versatile and cost-effective cable support systems, including custom solutions tailored to project requirements.

Their in-house Tech Centre uses SolidWorks and AutoCAD for precise design, and production is supported by advanced CNC turret punches and brake presses, ensuring high accuracy and efficiency. They also provide fittings and support brackets for complete cable management systems.

Ideal Electrical Suppliers

Ideal Electrical Suppliers provides a wide range of cable trays, including the Runnur Solar Cable Tray with high corrosion resistance. They stock over 53,000 electrical supply products and have multiple stores across New Zealand, allowing for both online and in-store purchases. Their products are suitable for various applications, including power, data, and audiovisual cabling.

Steel & TubeSteel & Tube offers the EzyTray cable tray and ladder systems, suitable for all cable containment needs. They provide full project support, from plan take-offs to complete quotations. Their resources include BIM-enabled 2D and 3D CAD details, and they integrate with MASTERSPEC and SMARTSPEC for professional project specifications.

FDGFD

G provides a comprehensive range of cable containment products, including cable trays, ladders, and baskets. Their systems are modular, adjustable, and compatible with FDG Modframe™ and STRUT™ bracketry.

FD

G products are available in Pre-Galv, Hot Dip Galv, and custom powder-coated finishes, and are designed for easy installation and future maintenance. They also offer engineering data and support for project-specific configurations.

Summary

For projects in New Zealand requiring cable management solutions, these companies provide extensive product ranges, customization options, and technical support. Tilley & Patton Ltd focuses on precision manufacturing, Ideal Electrical Suppliers offers broad product availability, Steel & Tube provides integrated design and specification support, and FDG delivers versatile, modular systems suitable for complex installations.
