

Price list of Japanese cable tray elbows

Overview

Buy in bulk around \$1.3 cable tray elbows, available in galvanized and stainless steel. Ideal for industrial use and cable management, suitable for wholesalers and distributors.

Key Takeaways

Japanese cable tray elbows typically range from \$1. 3 per piece for standard bulk orders, with prices varying based on material, size, and surface finish.

General Pricing

Bulk pricing for cable tray elbows starts around \$1. 3 per piece, particularly for galvanized or stainless steel options suitable for industrial use, as listed on Alibaba for international suppliers. Prices can vary depending on material: stainless steel, carbon steel, or PVC, each offering different durability and corrosion resistance.

Surface finishes such as painting or hot-dip galvanizing can affect the cost, with Japanese suppliers like Yashima Denko offering customization to meet factory requirements.

Sizing and Types

Elbows are available in various sizes corresponding to the width of the cable tray run, including horizontal, vertical, and angled configurations. Common heights for elbows range from 50mm to 120mm, with options for hot-dip galvanized or bare galvanized finishes.

Sourcing in Japan

Yashima Denko Co., LTD. provides cable tray elbows with customizable colors and finishes, suitable for factory installations and safety compliance. For bulk procurement, contacting Japanese distributors directly is recommended to obtain updated price lists, discounts, and shipping terms.

Tips for Procurement

Compare suppliers for material quality, certifications, and delivery options. Request samples to ensure compatibility with your existing cable tray system. Consider bulk orders to reduce unit cost and streamline supply chain management.

By contacting Japanese manufacturers or authorized distributors, you can obtain a detailed, up-to-date price list tailored to your specific project requirements.
