# Price of Plastic Junction Boxes for Sale

## Overview

Amazon.com: Electrical Plastic Junction BoxOld Work Box,Plastic Junction for Switches,PVC Electrical 14 cuin Outlet Box,Old Work Box 1 Gang Deep,ETL Listed.

## Key Takeaways

Plastic junction box prices vary widely, from as low as ₹6 per piece in India to higher-end models with advanced features and certifications.

### General Price Range

Plastic junction boxes are available in a broad price spectrum depending on size, material, and features. Basic indoor models for residential use are typically the most economical, while outdoor or industrial-grade boxes with weather resistance, UV stabilization, and flame-retardant materials command higher prices. Compact single-gang boxes: Economical options suitable for simple wiring projects.

Multi-compartment or large enclosures: Higher-priced due to complexity, additional knockouts, and enhanced sealing mechanisms.

### Supplier Pricing Examples

In India, some of the most affordable suppliers on IndiaMART offer the following starting prices: Oswin Plastics Private Limited: ₹6 per pieceShah Plasto Moulders Pvt Ltd: ₹10 per pieceL J Enterprise: ₹11 per piece For bulk orders or specialized industrial boxes, prices may vary and buyers are encouraged to contact suppliers directly for quotes and delivery details.

K and Online Retail OptionsRS Components and Farnell UK offer a wide range of plastic junction boxes from trusted brands like Hammond, Wiska, Omega, BUD Industries, and Spelsberg, with pricing dependent on size, mounting type, and technical specifications.

### Amazon U

K lists various plastic junction boxes, with stock availability and prices fluctuating based on model and seller.

### Factors Affecting Price

Material: High-grade polycarbonate or ABS plastics with flame-retardant properties cost more. Size and Compartments: Larger boxes or multi-compartment designs increase cost. Certifications: UL listing, CE marking, and IP ratings for water and dust resistance add to the price.

Features: Integrated mounting systems, multiple knockouts, cable glands, and strain relief entries influence pricing. Application: Outdoor or industrial applications require weather-resistant and UV-stabilized boxes, which are priced higher than standard indoor models.

### Summary

Plastic junction boxes are cost-effective alternatives to metal enclosures, with prices ranging from ₹6 per piece for basic models to higher-end industrial or outdoor variants. Buyers should consider size, material, certifications, and intended application when comparing prices and contacting suppliers for bulk orders or specific technical requirements.
