• Material: Commonly made from ABS plastic or polycarbonate (PC) for durability, UV resistance, and impact protection .

• Size and Compatibility: Prices vary with dimensions; ensure the cover fits your distribution box and allows for mounting of circuit breakers or other components .

• Installation: Most covers come with mounting brackets, DIN rails, or pre-drilled holes for easy installation .
Summary

For a standard transparent waterproof cover, expect to pay $10–$25 for IP65-rated boxes suitable for indoor and light outdoor use, and $20–$35 for IP67-rated covers designed for more demanding outdoor or industrial environments. Prices may vary based on size, material, and shipping location. Always check the product specifications to ensure compatibility with your distribution box and required protection level.
