

Singapore Pallet Cable Tray Supplier

Overview

Explore a wide range of cable trays from Ferrograte, including perforated, ladder, FRP, and wiremesh trays—ideal for efficient cable management systems.

Key Takeaways

Foresight Metal Engineering, United U-Li Projects, Voltec, Ferrotech, and AE Hub are leading cable tray and cable management system manufacturers in Singapore.

Cable Tray Manufacturers in Singapore

Foresight Metal Engineering Pte Ltd has been a specialist in cable support systems since 1992, offering metal cable trays, trunkings, and ladders for commercial and industrial projects. They provide both standard and customized solutions, serving industries such as pharmaceutical, medical, commercial, and marine sectors, with over 8,000 products available.

United U-

Li Projects Pte Ltd, established in 2009, supplies a comprehensive range of cable trays, trunkings, cable ladders, conduits, fittings, and floor trunking systems suitable for diverse industrial projects in Singapore. Voltec (Takaso Industries Singapore) provides premium cable trunkings, trays, ladders, conduits, C-channels, and floor distribution solutions. They focus on innovative designs and high-quality manufacturing to meet construction and infrastructure requirements.

Ferrotech offers a variety of cable trays including perforated, ladder, FRP, and wiremesh trays, designed for efficient cable management systems.

A

E Hub supplies metallic cable support systems, including cable trays, ladders, and trunkings. Their products comply with IEC 61537, NEMA VE-1, and SS249 standards, and are available in materials such as stainless steel (SS304, SS316, SS316L), hot-dipped galvanized steel, aluminum, and epoxy-coated steel. They offer light, medium, and heavy-duty tray and ladder constructions with optional covers.

Pallet Manufacturers in Singapore

While the web results do not list specific pallet manufacturers, Singapore has several companies specializing in industrial pallets, including wooden, plastic, and metal pallets. For sourcing pallets, it is recommended to search for industrial pallet suppliers in Singapore or contact local logistics and storage solution providers.

Summary

For cable trays and cable management systems, the top manufacturers in Singapore include Foresight Metal Engineering, United U-Li Projects, Voltecx, Ferrotech, and AE Hub, offering a wide range of products, materials, and custom solutions. For pallets, separate suppliers should be consulted to meet storage and logistics requirements. These companies provide industry-compliant, durable, and customizable solutions suitable for commercial, industrial, and construction projects.
