

Source Manufacturer of Aluminum Alloy Cable Management Frames

Overview

Aluminum Alloy Wire & Cable Management – Mouser Aluminum Alloy Wire & Cable Management are available at Mouser Electronics. Mouser offers inventory, pricing.

Key Takeaways

Key manufacturers of aluminum alloy cable management frames include Mouser Electronics, EAE Electric, Satie Systems, ABB, and B-Tech International.

Mouser Electronics

Mouser offers a wide range of aluminum alloy wire and cable management products, including trays, ladders, and modular frames. They provide detailed inventory, pricing, and datasheets, making it a convenient source for both standard and specialized cable management solutions.

EA

E Electric EAE Electric specializes in aluminum cable trays and ladders that are lightweight, corrosion-resistant, and suitable for both indoor and outdoor applications. Their products feature high load capacity, thermal conductivity to prevent cable overheating, and easy installation. Aluminum cable trays from EAE are approximately half the weight of steel equivalents, offering flexibility and durability for industrial and commercial installations.

Satie Systems

Satie Systems manufactures custom aluminum frames for cable management, including Proclip® and Prolight® solutions. These frames are designed for modular applications, allowing baying together of enclosures and dual-access cabinets. They provide adjustable depth spacers, U-shaped wire routing brackets, and wiring combs for organized installation of DIN-mounted and screw-mounted devices.

ABBAB

B provides metal framing and cable tray systems, including aluminum alloy options. Their Kindorf® 1 1/2" modular channel system and T&B® cable trays offer modularity, multiple plating options, and a wide range of accessories.

AB

B emphasizes labor-saving installation and adaptability for various cable, pipe, and conduit applications.

B-

Tech International B-Tech International offers premium aluminum cable managers designed for robust and lightweight cable organization. Their products are suitable for AV, IT, and industrial setups, providing high durability and ease of installation. These manufacturers provide a combination of modular design, corrosion resistance, high load capacity, and ease of installation, making them suitable for a wide range of cable management applications in industrial, commercial, and custom environments.

Aluminum Alloy Wire & Cable Management – Mouser

Aluminum Alloy Wire & Cable Management are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Aluminum Alloy Wire & Cable Management.

Cable Management Systems for Power and Data | MonoSystems

Niedax MonoSystems stands alone as the only manufacturer of cable tray, raceway, power poles, j-hooks, in-floor systems and more that sell direct.

Top Aluminium Cable Tray Manufacturers | Durable Industrial Solutions

Need lightweight, corrosion-resistant cable management? Discover leading aluminium cable tray manufacturers for industrial applications. Compare suppliers and get custom quotes today!

Aluminium Cable Trays | EAE Electric

The Aluminum Cable Ladder has a high loading capacity to manage dense cable transitions. Designed with a lightweight structural design, easy installation, and long-lasting corrosion resistance, the

Aluminum Cable Tray | EAE USA

The Aluminum Cable Ladder has a high loading capacity to manage dense cable transitions. Designed with a lightweight structural design, easy installation, and long-lasting corrosion resistance, the

Aluminum Cable Tray

Aluminum Cable Tray systems are lighter than steel cable tray and Certified CSA Cable Tray, UL listed, NEMA and certified. Because of their lighter weight aluminum cable trays are easier to install than

Custom Aluminum Cable Ladder Manufacturer | HTS-ALU

We provide one-stop manufacturing solutions for custom aluminum cable ladder systems, covering aluminum extrusion, secondary processing, surface treatment, and final fabrication.

Cable Management Systems — Cable & Wire Management | Metsec

We manufacture a broad range of Cable Management products that includes Cable Ladder, Cable Tray, Cable Trunking, Metal Framing and rapid installation systems. All are complete systems with simple

Cable Management Systems | Jonathan Engineered Solutions

Available in aluminum, stainless, and carbon steel like every JES product, our cable management systems vary in height and configuration to create invaluable efficiency behind your enclosures.

Aluminum Cable Tray, Aluminum Ladder Cable Tray Manufacturer

Optimize your cables with Aluminum cable trays of NewReach that are engineered for strength and efficiency. It utilizes high-strength aluminum alloy in innovative I-beam side rails.

Thomasnet®

Thomasnet is the leading product sourcing and supplier discovery platform for procurement professionals, engineers, plant & facility management and business owners seeking

10 Aluminum Frame Manufacturers in 2026

10 Aluminum Frame Manufacturers in 2026 This section provides an overview for aluminum frames as well as their applications and principles. Also, please take a look at the list of 10 aluminum frame

Custom Aluminum Cable Trunking Extrusion| China Manufacture

Square cable trunking Square aluminum cable trunking is a rectangular conduit made from extruded aluminum alloy, designed to support, organize, and protect electrical cables. Its lightweight, corrosion

Custom Aluminum Cable Ladder Manufacturer | HTS-ALU

Custom Aluminum Cable Ladder What is an Aluminum Cable Ladder An aluminum cable ladder is an open-frame cable management system made from high-strength aluminum alloy. It consists of two

80/20 Aluminum T-slot Building Systems | 80/20 Aluminum Extrusions

T-Slots, aluminum extrusions, and parts. Architectural solutions and frames for industrial machine guards, workstations, data center enclosures, and more. Build your idea with 80/20 today.

Metal framing & support systems

Metal framing & support systems ABB saves time and labor with its comprehensive lines of metal framing and cable tray, including the industry's only 100% plated products, our 1 1/2" modular

Interior Aluminum Frames

Frameworks frames are manufactured to integrate into standard drywall partitions but can be adapted to accommodate varying wall conditions. We expertly engineer angled, segmented and radiused frame

Aluminium Cable Trays

Discover aluminum alloy cable trays with corrosion resistance & CE certification. Ideal for industrial cable management and network infrastructure.
