

What are some cable tray brands in Congo

Overview

Cable Tray Manufacturers & Suppliers in Democratic Republic Of The. Find and discover Cable Tray manufacturers and suppliers for all products in Democrat.

Key Takeaways

Several reputable cable tray manufacturers and suppliers operate in Congo, offering a range of high-quality products for industrial and commercial applications. Notable Manufacturers and Suppliers

- Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a prominent cable tray manufacturer and supplier in Congo, offering durable trays made from galvanized steel, stainless steel, and fiberglass. Their products include perforated and solid cable trays designed for optimal airflow, cable protection, and easy installation. They also provide system design support, installation guidance, and customized solutions for various project sizes .
- Cable House Established in 1983, Cable House manufactures and supplies cable trays along with related products like hose clamps, cable ties, and crimping tools. They are recognized for high-durability, reliable performance, and the ability to provide customized solutions to meet specific client requirements in Congo .

- Jeetmull Jaichandlall (P) Ltd. Specializing in perforated cable trays, this company operates in the Democratic Republic of the Congo. They focus on high-quality manufacturing with modern equipment, offering trays in various sizes, shapes, and colors. Their products are suitable for industrial and commercial applications, ensuring compliance with industry standards .

Key Features to Consider

- Material Options: Galvanized steel, stainless steel, and fiberglass for corrosion resistance and durability.
- Tray Types: Perforated, ladder, and solid trays for different airflow and load requirements.
- Customization: Many manufacturers provide tailored solutions for specific project needs.
- Support Services: Installation guidance, system design assistance, and after-sales support. These manufacturers are well-established in Congo and provide both local and export services, making them suitable for a wide range of electrical and industrial projects .
