

What are some cable tray profile manufacturers in Qatar

Overview

Cable Tray Wire Supplier & Manufacturer in Qatar We are the leading cable tray & Wire supplier and manufacturer in Qatar and our objective is to offer high.

Key Takeaways

Leading cable tray manufacturers in Qatar include Altura Industries, TransDelta International, Advance Line Cable Management, ServeGas, and Qatar Technical. Key Manufacturers1. Altura Industries Altura Industries is a prominent cable tray manufacturer in Qatar, offering a wide range of cable management solutions including cable trays, ladders, trunking, and wire basket systems.

Their products are designed for smooth cable pulling and are suitable for harsh environments such as petrochemical, marine, and oil & gas industries. Altura also provides GRP/FRP cable trays and unistrut channels, ensuring compliance with BS EN 61537: 2007 standards and high-quality MEP contractor requirements. 2.

Trans

Delta International Industries L. L.

C Trans

Delta is the Middle East arm of TRANSCON Global Group and manufactures all types of cable management systems under the Delta brand. Their offerings include cable trays, ladders, trunking, flush floor trunking, and underfloor trunking.

Trans

Delta products are ISO-certified and meet international quality standards. They have modern manufacturing infrastructure and a strong presence in Qatar and GCC countries, serving prestigious projects with reliable and safe cable support systems. 3.

Advance Line Cable Management System L. L. C Advance Line manufactures cable trays, ladders, trunking, basket trays, strut channels, and GI switch boxes.

Their factory in Birkat Al-Awamer, Doha, is equipped for large-scale production. Products are fully compliant with British standards, designed for easy installation, and optimized for airflow and dust prevention. Advance Line is recognized for high-performance, durable solutions tailored to industrial and commercial infrastructure needs.

4.

Serve

Gas Serve

Gas is a trusted supplier in Doha, providing industry-leading cable trays and cable management solutions. They focus on efficient cable management for various applications, offering both standard and customized solutions to meet project-specific requirements. 5.

Qatar Technical Qatar Technical offers cable support systems including cable trays, trunking, and ladders. Their products are made from pre-galvanized steel, with options for hot-dip galvanization. They provide solid and perforated tray designs for optimal cable support and cooling, along with a wide range of accessories such as cantilever arms, clamps, and U-channels.

Their solutions are suitable for industrial and building construction projects requiring heavy or high-volume cabling support.

Summary

For sourcing cable trays in Qatar, these manufacturers provide a variety of materials, designs, and certifications to suit industrial, commercial, and infrastructure projects. Altura Industries, TransDelta, and Advance Line are particularly noted for large-scale production and compliance with international standards, while ServeGas and Qatar Technical offer flexible solutions and installation support. Choosing a manufacturer depends on project scale, material requirements, and specific cable management needs.
