

Where are cable tray companies in Belgium

Overview

Specializing in signage for nearly 30 years, EPC supports you in fulfilling your orders. Present throughout Belgium, we operate in over 800 buildings, from design and execution to manufacturing...

Key Takeaways

Belgium hosts several cable tray manufacturers, including Trayco, Niedax Belgium, and Brilltech Engineers, each producing high-quality cable management systems locally.

Trayco

Trayco is a Belgian company specializing in 100% Belgian-made cable trays, mesh trays, and cable ladders. Founded in 2012, the company focuses on producing, optimizing, and consulting for cable support systems. Trayco also provides tailored solutions and installation guidance for projects across Belgium.

Their factory and operations are fully based in Belgium, ensuring local production and compliance with national standards.

Niedax Belgium

Niedax Belgium, established in 2005 as a subsidiary of the German Niedax Group, offers a wide range of cable tray systems and electrical installation materials. While the parent company is headquartered in Germany, Niedax Belgium operates locally to support national and international projects, providing both products and technical assistance. Their Belgian facility contributes to manufacturing and distribution within the country.

Brilltech Engineers

Brilltech Engineers is another prominent cable tray manufacturer and supplier in Belgium, producing durable trays in galvanized steel, stainless steel, and fiberglass. They offer perforated and solid cable trays designed for optimal airflow, safety, and cable protection. Brilltech emphasizes compliance with industry standards and provides installation support and system design services.

Summary

For cable tray production in Belgium, Trayco is fully Belgian-made, Niedax Belgium operates as a local subsidiary of a German group, and Brilltech Engineers provides high-quality trays with local support. These companies serve industrial, commercial, and infrastructure projects, offering both standard and customized cable management solutions.
