

Which manufacturers make custom cable trays troughs

Overview

Cable Troughs Manufacturers and Suppliers in the USA and Canada Custom manufacturer of cable & wire troughs. Other products such as frames, handles, guides.

Key Takeaways

Top manufacturers for custom cable trays include Atkore International, JLH Electric, Snake Tray, Chalfant Manufacturing, and the Niedax Group, all known for high-quality, customizable solutions. Leading Manufacturers

Atkore International is a prominent provider of cable management systems, offering a wide range of custom stainless steel, galvanized, and fiberglass cable trays suitable for industrial and construction projects, with extended warranties and global distribution options . JLH Electric (Shandong Taian Jinheng Electric Co., Ltd.) specializes in custom cable trays, including ladder, perforated, wire mesh, and trough types. They are ISO-certified (ISO 9001:2015, ISO 14001, ISO 45001) and focus on innovation, quality, and collaboration with universities for R&D, making them a leading brand in China . Snake Tray manufactures aluminum and steel cable trays, emphasizing innovative cable management solutions for data centers, solar installations, and transit projects. Their products are designed to reduce construction costs and ensure timely availability across the US . Chalfant Manufacturing offers high-quality cable tray systems, including self-connecting and walkable tray lines, with over 70 years of experience in providing tailored solutions that meet industry standards . Niedax Group (Germany) provides steel, aluminum, PVC, and GRP cable management systems with extensive customization options. They operate globally, offering technical consulting, planning, and installation support for complex industrial and energy projects .

Considerations for Choosing a Manufacturer

- **Customization Capabilities:** Ensure the manufacturer can produce trays in the specific dimensions, materials, and load ratings required.
- **Certifications and Quality Standards:** ISO certifications and compliance with EN 61537 or IEC standards indicate reliable quality.
- **Global Reach and Support:** Companies with international operations can provide faster delivery and local support.
- **Specialized Products:** Some manufacturers offer unique solutions like walkable trays, FRP trays, or wire mesh systems for specialized applications. For projects requiring highly customized cable trays or troughs, these companies are widely recognized for their expertise, product quality, and ability to meet diverse industrial needs.
